

REMARKS

Claims 1 and 17-34 are pending in the present application. Claim 1 is rejected. Claims 19, 21-24 and 33 are herein amended. No new matter has been added.

In response to the Notice of Non-Compliant Amendment, Applicants herein submit a supplemental amendment in which the page and line numbers of the specification amendments are corrected. Although the amendments to the claims were apparently entered in response to the Amendment dated March 9, 2011, Applicants herewith repeat these amendments for clarity. Additionally, Applicants herein specifically request amendment of the specification to include the replacement sequence listing filed on March 9, 2011.

If the Examiner deems that any further action by applicants would be desirable to place the application in condition for allowance, the Examiner is encouraged to telephone applicants' undersigned attorney.

If this paper is not timely filed, Applicants respectfully petition for an appropriate extension of time. The fees for such an extension or any other fees that may be due with respect to this paper may be charged to Deposit Account No. 50-2866.

Respectfully submitted,

WESTERMAN, HATTORI, DANIELS & ADRIAN, LLP
